We invite proposals for papers for the 26th International Conference on Electronics, Communications and Computers, organized annually since 1990 by the [Department of Computing, Electronics and Mechatronics](#) of the **Universidad de las Américas Puebla**. This International Conference is also technically supported by the **IEEE**, Section Puebla. The aim of **CONIELECOMP** is to provide a forum for researchers to present and exchange ideas and results of original research and developments in the listed technical areas. The conference features keynote speakers, tutorials and a doctoral consortium.

PAPER SUBMISSION DETAILS

Prospective authors are invited to submit a full paper, from 6 to 8 pages. Accepted papers will be published in the **Conference Proceedings** as well as submitted to the **IEEE CONFERENCE PUBLICATIONS** (IEEE *Xplore* Digital Library) and will be part of the conference program. All submissions will be handled electronically.

TOPICS

Biomedical Engineering, Cloud & Parallel Computing, Communications, Computer Vision, Human-Computer Interaction, Image Processing, Information Security, Neural Networks, Power Electronics & Simulation, Robotics, Signal & Video Processing, Soft Computing.

BEST PAPER AWARD

The CONIELECOMP 2016 edition of the conference will receive the "*Professor Muhammad Rashid Award*" as an incentive to authors who submit their work to the conference. The best paper, to be announced during the banquet, will be honored with a certificate and a \$300 USD "*equivalent award*", sponsored from Prof. Muhammad H. Rashid, a prominent researcher from the University of West Florida.

CHOLULA AND PUEBLA

Cholula is a magic beautiful old town, which main attraction is the Cholula pyramid. Puebla city is just 10 kilometers from Cholula, and is an UNESCO World Heritage City, famous for its colonial architecture and gastronomy. Puebla is only 2 hours by car/bus from Mexico City.
